Sea breeze camping, bird watching, nature hike and a tour of Atalaya, the winter home castle of the Huntingtons, are all on the agenda. This will be an opportunity for our scouts to set up camp, cook and clean as they would do on a Boy Scout event. We'll hike the 2 mile Sandpiper trail where we'll end up at the beach picnic area for lunch. At the freshwater lagoon we're sure to see an alligator maybe even a mink or two. We'll have a campfire that evening and wake up for a brief Sunday morning Chapel service and closing.

The event price will include usage fees, BSA insurance, food and a T-Shirt. Every camper must have a current BSA Health form on file with the Pack to attend. Those Scouts that went to Webelos Adventure camp are on file and current.
